

Clover School District
604 Bethel Street
Clover, SC 29710

Parent Involvement 2020-21

Clover School District parents are provided information about student assessment results and interpretation of his/her results using the following:

- Individual student SC READY/SC PASS (math, ELA, science, social studies) reports are provided in a brochure along with a guide to interpret the results during Parent Teacher Conference Days.
- Fountas and Pinnell Benchmark Assessment (reading) information is provided to parents on Parent Teacher Conference Days.
- Parent Portal access directions are provided to parents at Parent Teacher Conference Days. This site gives parents a real-time view of student academic performance along with attendance history.
- iReady reports provide parents with their child's current academic performance levels and growth data in English language arts and math. These reports are also provided during Parents Teacher Conferences in the fall as well as sent home during the spring semester.
- Annual Title I Meeting—Each Title I school conducts a parent meeting in September. Title I funding, parent involvement policy, school-parent compact, newsletter, and project information are shared during this meeting.
- Curriculum Standards-The district website provides information on curriculum standards. The link for Curriculum and Instruction is <https://www.clover.k12.sc.us/domain/1525>.
- Parent Involvement Workshops are conducted by grade level teachers. Information on grade level standards and student work is shared.
- As COVID-19 has impacted school operations, many parent contacts are completed virtually.
