

Clover School District New Residency Requirement Procedures

Returning students who reside at a permanent residence with relatives or friends, will no longer be required to come to the Clover School District Office to complete residency each year. These families will be able to go directly to the school they are zoned for. **Two proofs of residency must be provided to the school registrar.** These items may include a valid driver's license or identification card, bank statement, mobile phone statement, insurance, official letter that is dated and on letterhead. The notarized residency form from the homeowner must be submitted with proof of residence.

Residency Concerns referred to the Clover School District Office beginning 2018-19 School Year:

- Families new to the district with only one primary proof of residence.
- Families building in the district with only a contract.
- Families who meet definition of homelessness.
