

Title I - Procedures for Responding to Parents

Parents Right to Know

Clover School District

Parents will be notified annually of their rights to be informed of the highly qualified status of teachers and teaching assistants in the individual schools. Parents Rights to Know information will be published on the district web page, school web pages, and in the Title I newsletter.

Clover School District will respond to a parent's request in a timely manner once the request has been received.

The response to a parent's request will be delivered in one or more of the following formats:

**Conference
Letter
Email
Telephone**

Follow-up communication will be provided, if needed.
